

# Curriculum Vitae

## John Joseph Curtin

Work Address: Department of Psychology  
University of Wisconsin-Madison  
1202 West Johnson St.  
Madison, WI 53706

Work Phone: 608-262-0387  
Email: jjcurtin@wisc.edu

### PROFESSIONAL EXPERIENCE

#### Employment

2009- **Professor of Psychology**, Department of Psychology, University of Wisconsin-Madison

2008- **Director of Clinical Training**, Department of Psychology,  
University of Wisconsin-Madison

2008- **Associate Chair of Graduate Studies**, Department of Psychology,  
University of Wisconsin-Madison

2006 - 2009 **Associate Professor of Psychology**, Department of Psychology,  
University of Wisconsin-Madison

2000 - 2006 **Assistant Professor of Psychology**, Department of Psychology,  
University of Wisconsin-Madison

1999 - 2000 **Clinical Psychology Intern**, Brown University Clinical Psychology Training  
Consortium

1998 - 1999 **NIAAA Predoctoral Research Fellow (F31)**, Department of Psychology, Florida State  
University

1994 - 2000 **Statistical and Methodological Consultant**, Florida State University

#### Education

1999 - 2000 **Clinical Psychology Internship Training**  
Brown University Clinical Psychology Training Consortium  
Providence, Rhode Island

1995 - 2000 **Doctor of Philosophy, Clinical Psychology**  
Florida State University, Tallahassee, Florida

1992 - 1995 **Master of Science, Clinical Psychology**  
Florida State University, Tallahassee, Florida

1987 - 1991 **Bachelor of Arts, Psychology**  
The Johns Hopkins University, Baltimore, Maryland

## **HONORS AND AWARDS**

- American Psychological Association (APA) Distinguished Scientific Award for Early Career Contribution to Psychology, 2008
- Florida State University Graduate of Distinction Award, 2008
- University of Wisconsin H. I. Romnes Award for Research Excellence, 2006
- University of Wisconsin Emil H. Steiger Distinguished Teaching Award, 2005
- Award for Excellence in Teaching, University of Wisconsin Department of Psychology, 2004
- National Institutes of Health (NIH) Clinical Research Loan Repayment Award, 2003-2008
- Florida State University Dissertation Research Award, 1999
- Kellogg Dissertation Award, Department of Psychology, Florida State University, 1999
- Phi Kappa Phi Graduate Scholar Award as the outstanding graduate student at Florida State University (winner of campus-wide competition), 1997
- Finalist, Sigma Xi Graduate Research Award, 1996
- Outstanding Teaching Assistant Award, Florida State University Program for Instructional Excellence, 1996
- Grosslight Award for Teaching Excellence, Florida State University Department of Psychology, 1996

## **PROFESSIONAL SERVICE**

- Board of Directors, Society for Psychophysiological Research (2009-present)
- Consulting Editor, *Journal of Abnormal Psychology* (2004-present)
- Editorial Advisory Board Member to *The Open Addiction Journal* (2007-present)
- Member, NIH Risk, Prevention and Intervention for Addictions grant study section, 3/2007; 6/2008, 2/2009
- Chair, SPR Education and Training committee (2003-present)
- Editor-in-Chief, *Substance Abuse: Research and Treatment* (2007-2008)
- Chair, Society for Psychophysiological Research (SPR) Conference Planning committee, 2006 meeting
- Member Netherlands Organization for Scientific Research, Social Sciences grant study section, 6/2006
- Member, Department of Veterans Affairs Neurobiology-A grant study section, 6/2006
- Member, NIH Biobehavioral Regulation, Learning and Ethology grant study section, 2/2004; 10/2004
- Member, NIH Biobehavioral & Behavioral Processes-1 grant study section, 6/2003
- Member, SPR Education and Training committee member (2001-2003)
- Member, SPR conference planning committee (1996, 1997, 2001, 2002, 2004, 2005)
- Ad hoc reviewer for *Journal of Abnormal Psychology*, *Journal of Consulting and Clinical Psychology*, *Psychological Assessment*, *Psychology of Addictive Behaviors*, *Journal of Studies on Alcohol*, *Journal of Personality and Social Psychology*, *Psychophysiology*, *Emotion*, *Biological Psychology*

## RESEARCH FUNDING

### Extramural Funding

- **Sponsor**; National Research Service Award (F31 AA018608; Graduate Student: C. Moberg). National Institute of Alcohol Abuse and Alcoholism. Stress Neuroadaptations in Alcoholism. \$28,885, Status: Active. 08/09 – 07/12.
- **Co-Investigator (w/ Joseph Newman as PI)**; National Institute on Mental Health (R01 MH078980). Cognitive-Emotion Interactions in Psychopathy. Direct costs: **\$1,150,000**. Status: Active. 07/07 – 06/12.
- **Principal Investigator**; National Institute of Drug Abuse (R36 DA022373; Graduate student co-investigator: Joanne Hogle). Sex differences in the effect of smoking withdrawal on emotion response. Direct costs: **\$100,000**. Status: Active, 10/2006 - 09/2008
- **Principal Investigator**; National Institute on Alcohol Abuse and Alcoholism (R01 AA15384). Cognitive Control Deficits in Alcoholism Risk. **\$1,012,500**. Status: Active. 4/06 – 3/11.
- **Principal Investigator** on sub-award; National Cancer Institute/National Institute on Drug Abuse. Transdisciplinary Tobacco Use Research Center (P50 DA19706; PI: T. Baker). Tobacco withdrawal, relapse, and negative affect: A component process analysis. **\$32,000**. Status: Completed. 7/05 – 6/06.
- **Principal Investigator**; Alcoholic Beverage Medical Research Foundation. Electrophysiological examination of mechanisms underlying alcohol effects on behavioral regulation. **\$94,667**. Status: Completed. 6/04 – 5/06.
- **Consultant**; National Institute on Alcohol Abuse and Alcoholism (R03 AA1035032; PI: J. Read). Stress Effects on Expectancy and Urge. **\$100,000**. Status: Completed. 8/03 – 7/06.
- **Consultant**; National Institute on Alcohol Abuse and Alcoholism (R01 AA12164; PI: A. Lang). Probing affective and cognitive effects of alcohol. **\$1,250,000**. Status: Completed. 3/00 – 2/06.
- **Sponsor**; National Cancer Institute/National Institute on Drug Abuse Transdisciplinary Tobacco Use Research Center Pre-doctoral grant program (Graduate student: D. McCarthy). Color-naming performance in nicotine withdrawal and during stress. **\$10,000**. Status: Completed. 9/03 – 8/04.
- **Sponsor**; National Cancer Institute Transdisciplinary Tobacco Use Research Center Pre-doctoral grant program (Graduate student: J. Hogle). Sex differences in the effect of smoking withdrawal on psychophysiological indices of affective motivation. **\$10,000**. Status: Completed. 9/03 – 8/04.
- **Principal Investigator**; National Institute on Alcohol Abuse and Alcoholism (R03 AA13422): Alcohol effects on explicit cue vs. contextual fear. **\$100,000**. Status: Completed. 3/02 – 2/04.
- **Sponsor**; National Cancer Institute Transdisciplinary Tobacco Use Research Center Pre-doctoral grant program (Graduate student: M. Piper). Characterizing the negative affect dynamics of nicotine withdrawal. **\$10,000**. Status: Completed. 9/02 – 8/03.
- **Principal Investigator** on sub-award; National Cancer Institute Transdisciplinary Tobacco Use Research Center Award (P50 CA84724; PI: M. Fiore). Interactive effects of nicotine on cognitive processing, fear response and task performance. **\$39,446**. Status: Completed. 10/01 – 9/02.
- **Principal Investigator**; National Research Service Award for Independent Research. National Institute on Alcohol Abuse and Alcoholism (F31 AA05511). Alcohol, emotion, and event related potentials. **\$18,000**. Status: Completed. 4/98 - 3/99.

## Intramural Funding

- **Principal Investigator**; University of Wisconsin H. I. Romnes Award for Research Excellence. **\$50,000**. Status: Active. 9/06 - present
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: J. Kaye). Effects of tobacco withdrawal on executive control of attention. **\$5,000**. Status: Active. 7/06 – 6/07.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: S. Abramovitz). Emotion and emotion regulation deficits among individuals with a family history of alcohol use disorders. **\$5,000**. Status: Active. 7/05 – 6/06.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: V. Yeh). Emotion and emotion regulation deficits among individuals with a family history of alcohol use disorders. **\$5,000**. Status: Active. 7/05 – 6/06.
- **Principal Investigator**; Wisconsin Alumni Research Foundation Research Award. Alcohol and behavioral regulation: Examination of components of executive attention cognitive control. **\$19,873**. Status: Completed. 7/03 – 6/04.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: M. Gulotta). Emotion and emotion regulation deficits among individuals with a family history of alcohol use disorders. **\$5,000**. Status: Completed. 7/03 – 6/04.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: B. Weiss). Heart rate increase and EEG asymmetry response indices of approach motivation: Mechanisms responsible for alcohol use disorder risk. **\$5,000**. Status: Completed. 7/03 – 6/04.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: P. Rothwell). Alcohol effects on regulative and evaluative components of cognitive control. **\$5,000**. Status: Completed. 7/02 – 6/03.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: B. Worden). Alcohol and stress response: A test of the mediating role of attentional focus using startle probe methodology. **\$4,000**. Status: Completed. 7/02 – 6/03.
- **Principal Investigator**; Wisconsin Alumni Research Foundation Research Award. Alcohol and fear response: Dissociation in explicit vs. contextual fear. **\$16,779**. Status: Completed. 7/01 – 6/02.
- **Sponsor**; Hilldale Undergraduate/Faculty Research Award (Undergraduate student: D. Green). Alcohol and intoxicated behavior: The mediating role of acute deficits in attentional processing. **\$4,000**. Status: Completed. 7/01 – 6/02.
- **Principal Investigator**; Brown University Clinical Psychology Training Consortium Research Grant. Adolescent Cue Reactivity: Examining approach and avoidance component processes. **\$1,000**. Status: Completed. 8/99 – 7/00
- **Principal Investigator**; Florida State University Dissertation Research Grant. Status: Completed. 1999.
- **Principal Investigator**; Kellogg Dissertation Award, Department of Psychology, Florida State University. Status: Completed. 1999.

**NOTE: \* indicates undergraduate, graduate, or post-doctoral student working under my full or partial supervision**

### **INVITED TALKS AND OTHER SYMPOSIA**

- Curtin, J. J. (2008). Affective negative reinforcement in drug use and addiction: Insights from laboratory drug challenge and drug withdrawal experiments. Invited talk at the Research Institute on Addiction, Buffalo, New York.
- Curtin, J. J., Hogle, J., Gloria, R., Shi, F. Y., & Baker, T. (2008). Drug Deprivation and Availability during Cue Exposure: All cues are not created equal. Symposium talk presented at the Society for Psychophysiological Research annual meeting, Austin, TX.
- Curtin, J. J. (2008). Affective negative reinforcement in drug use and addiction: Insights from laboratory drug challenge and drug withdrawal experiments. Invited talk at Florida State University Department of Psychology. This talk was associated with their awarding me the Graduate of Distinction Award.
- Curtin, J. J. (2007). Affective negative reinforcement in drug use and addiction. Invited talk at the Rutgers transdisciplinary prevention research center. Center for Alcohol Studies, New Brunswick, NJ.
- Curtin, J. J. (2007). Affective negative reinforcement in drug use and addiction: Insights from laboratory drug challenge and drug withdrawal experiments. Invited talk at the University of Minnesota Center for Cognitive Science. Minneapolis, MN.
- Japuntich, J., Gloria, R., Baker, T., & Curtin, J. (2007). Attentional Mechanisms and Their Associations with Craving and Success During a Quit Attempt. Symposium talk presented at the Society for Research on Nicotine and Tobacco annual meeting, Austin, TX.
- Dvorak-Bertsch, J. D., Curtin, J. J., Rubinstein, T. J., & Newman, J. P. (2006). Psychopathic traits and affective processing under attentional load. Symposium talk presented at the 46<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Vancouver, Canada.
- Curtin, J. J. (2005). Electrophysiological examination of mechanisms underlying alcohol effects on behavioral inhibition. Invited talk at the 33<sup>rd</sup> International Medical Advisory Group Conference, Chicago Illinois.
- Curtin, J. J. & Rothwell\*, P. E. & (2005). Alcohol challenge and expectancy effects on ERP correlates of cognitive control. Symposium talk presented at the Research Society on Alcoholism Annual Scientific Meeting, San Diego. CA.
- Read, J. P. & Curtin, J. J. (2005). Mood, cue, and sex effects on implicit alcohol expectancies. Symposium talk presented at the Association for the Advancement of Behavior Therapy annual meeting.
- Curtin, J. J. (2004). Acute alcohol challenge studies: Implications for cognitive control and the adaptive regulation of behavior. Invited talk at the Center for Cognitive Sciences at the University of Minnesota.
- Hogle\*, J.M., & Curtin, J.J. (2004). Sex differences in smoking motivation: A psychophysiological investigation of affective reactivity during withdrawal. Paper presented at the Annual Conference of the Society for Research on Nicotine and Tobacco, Scottsdale, AZ.
- LaRowe, S. D., Patrick, C. J., Curtin, J. J., & Kline, J. P. (2004). Personality correlates of baseline startle habituation. Symposium talk presented at the 44<sup>th</sup> annual meeting of the Society for Psychophysiological Research, Santa Fe, NM
- Rothwell\*, P. E. & Curtin, J. J. (2004). Alcohol expectancy and pharmacology: Cognitive mechanisms underlying behavior regulation effects. Paper presented at the Research Society on Alcoholism annual scientific meeting, Vancouver. Canada.
- Bartholow B. D. & Curtin, J. J. (2003). Cognitive control of behavior: Deficits associated with alcohol use and alcoholism. Symposium organized at the 43<sup>rd</sup> annual meeting of the Society for Psychophysiological Research, Chicago, IL.
- Curtin, J. J. & Green, D. A. (2003). Alcohol and cognitive control: A mechanism for selective impairment of prepotent response inhibition during response conflict. Symposium talk presented at the 43<sup>rd</sup> annual meeting of the Society for Psychophysiological Research, Chicago, IL.
- Curtin, J. J., Fiore, M. C., & Baker, T. B. (2003). An analysis of smoking relapse: A Transdisciplinary perspective. Invited talk presented at the 10<sup>th</sup> World Conference on Tobacco and Health, Helsinki, Finland.

- Lang, A. R., Patrick, C. J., & Curtin, J. J. (2001). A multidimensional-multilevel model of the alcohol-emotion nexus. Symposium talk presented at the 109<sup>th</sup> Annual American Psychological Association Convention, San Francisco, CA.
- Zvolensky, M. J., Lejuez, C. W., Stuart, G. L., & Curtin, J. J. (2000). Experimental psychopathology. Symposium talk presented at the Association for Advancement of Behavior Therapy convention, New Orleans, LA.
- Curtin, J. J. (1998). Assessing acute alcohol effects on emotional reactivity: An online processing perspective using event related potentials. Invited talk presented at the Department of Psychology, University of Tuebingen, Germany.
- Curtin, J. J. (1998). Alcohol-induced fearlessness: Assessing potential cognitive mediators. Invited address presented at the Department of Psychology, Ohio State University, Columbus, Ohio.
- Curtin, J. J., Lang, A. R., Patrick, C. J., & Stritzke, W. G. (1995). Alcohol and fear potentiated startle: A test of the Stress Response Dampening and Attention Allocation Theories. Symposium talk presented at 35th annual meeting of the Society for Psychophysiological Research, Toronto, Canada.
- Erickson, L. M., Levenston, G. K., Curtin, J. J., Goff, A. B., & Patrick, C. J. (1995). Affect and attention in startle modulation: Picture perception and anticipation. Symposium talk presented at 35th annual meeting of the Society for Psychophysiological Research, Toronto, Canada.

### **POSTER & PAPER PRESENTATIONS**

- Baskin-Sommers\*, A.R., Curtin, J.J., & Newman, J.P. (2009). Negative Slow Wave Activity Reflects Attentional Problems Associated with Psychopathy. Poster presented at the Association for Psychological Science, San Francisco, CA.
- Moberg\*, C. A., Jaber\*, J. N., & Curtin, J. J. (2008). Alcohol selectively affects anxiety but not fear. Poster presented at College for the Prevention of Drug Dependence annual meeting, San Juan, Puerto Rico..
